What they technically should be, everything they purchase, if it is a 5¢ item, they have got to put a purchase order through. PRESIDENT: Senator Kelly. The question is the adoption of the Committee amendments. No, the advancement of the bill. Record your vote. Record.

CLERK: 27 ayes, 0 nays.

PRESIDENT: The bill is advanced. Senator Nichol's bill now.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, I apologize for not being prepared.

PRESIDENT: Excuse me, now we are back on LB 657.

CLERK: Mr. President, the bill title has been read and there are no Committee amendments.

PRESIDENT: Thank you.

SENATOR NICHOL: Okay, LB 657 would repeal section 16-705 which now requires cities of the first class to publish an estimate of the probable money necessary to be raised. The appropriation bill provided for in 16-704 does require this amount to be published as well as the notice of public hearing for the budget. The additional publication required by section 16-705 is a duplication and LB 657 would repeal the section, thereby removing the requirement.
